FIS STUDENTS GARNER HONORS

FIS grades 3, 4 and 5 students joined the Interim Division of the City of San Juan's 1st Division Science Fair with a theme : Responding to Global Challenges through Science and Technology on October 27, 2009, which was held in Pinaglabanan Elementary School. The students **Jushua Yebes**; Grade 3, **Kim So Hyun (Trisha)**; Grade 4 and **Matthew Ivar Yan**; Grade 5 garnered the first places in their levels in Science quiz bee in among private schools in San Juan.

The event covered different activities which aimed to promote science awareness and to develop critical thinking, teamwork, sportsmanship and camaraderie among students.

Other students who represented FIS on this quiz bee in Science were: Ahmed Hataman, Justine Yu, Jean Dennis Hipolito, Anna Smilgielska, Hiro Kobayashi and Todd Kue.

On the other note, Dennise Hipolito and Kirsten Kayla Nubla, two second graders, who became the finalists in the Writing Contest sponsored by Lyra that was held in November 7.

The FIS teachers continuously coach the students to prepare them on any competitions to encourage them that learning doesn't end in the classroom rather it grows and broadens within them. To all the students who already joined, the Management says Congratulations and keep the good work, and to those who will soon join the other competitions, good luck!

PARENTS' DINNER – A SUCCESS!

The first FIS parents' dinner hosted by the Management which was held last November 11, 2009 at the school's Cafeteria was a success. The pre-school parents were solely the honored guests on that night.

The dinners are scheduled for all the levels to show the schools' gratitude in supporting their children to be successful students in their continued education at FIS. This is also the event that serves as a fantastic opportunity for everyone to meet other parents and the administrators to continue to be connected as the resources for the children's academic success.

Let this article reach all the parents that we will be more than grateful to have all the parents attend the dinner night intended for them.
