

FOUNTAIN INTERNATIONAL SCHOOL

"Where love & concern
spell success..."

Letter to Parents No. 3

July 6, 2009

Dear Parents and Guardians,

Peace!

We are pleased that the new school year began smoothly and orderly. As we continue to monitor the health and wellness of the students on a daily basis, we would like to inform you that FIS remain AH1N1 virus free. However, vigilance remains as an important preventive measure. Therefore, you are requested to refrain from bringing your children to school if they are not feeling well, has severe headache, fever, cough or colds. Allow them to recuperate at home and if need be, bring them to the doctor for appropriate medical intervention. A medical certificate stating that they are fit to attend school will be required from the students upon their return.

Since the students have adjusted well into the new school year and academic work is positively progressing, it is an opportune time to begin with co-curricular activities that are aimed to enhance the interests and knowledge of the students in various fields and disciplines. **On Friday, July 10, 2009 at 2:20 – 3:00 pm**, the club meetings will jumpstart with a **CLUB FAIR**. This will provide the students an opportunity to sign-up and join their choice of club for the school year. Club meetings will be held every Friday at the same time. **Dismissal therefore on Fridays will be at 3:00 pm beginning this week**. The selection of clubs for this school year offer many opportunities for students to develop and expand their intellectual abilities, interests, talents and service to the school community and to participate actively in their school life.

We look forward to your continued support and cooperation as we continue to provide your children with a diverse selection of learning activities which greatly support and enhance their FIS education.

Thank you.

Sincerely yours,

IDA GRACE S. BAYLON
Principal
